NOVAtime on the iPhone

If you have the most current version of NOVAtime downloaded on your phone, it looks like this. It is version 3.1

If you have an older version of novatime installed on your phone, touch the App Store icon (blue icon with A in a circle). Then touch "updates" on the bottom right of the screen, find Novatime and touch update.

If you do not have novatime installed yet:

- Touch the App Store icon
- Touch "Search" at the bottom of screen
- Type "novatime mobile" in the search bar
- Touch the "Free" icon
- Touch the "Install" icon

You will need to have an Apple account to download. If you haven't set up an Apple account, follow the step by step instructions below.

Creating an account on iPhone, iPad, and iPod touch

1. Open the App Store on your device.
2. Find a free application on the App Store.
3. **Important:** Before proceeding to the next step, you must download and install the free application by tapping **Free** followed by tapping **Install App**.
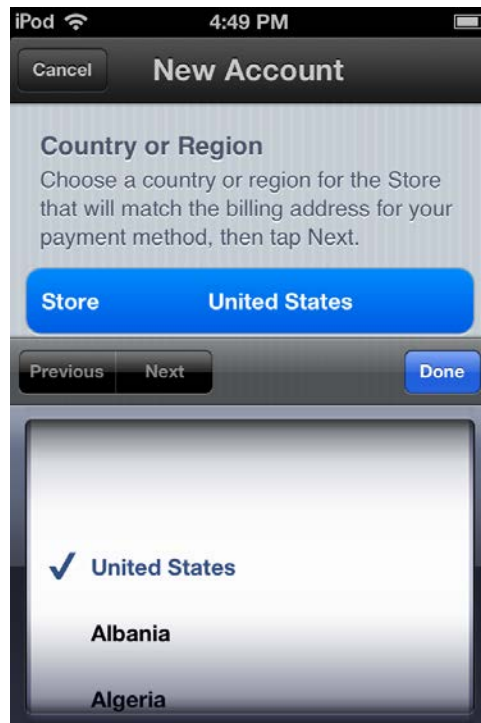

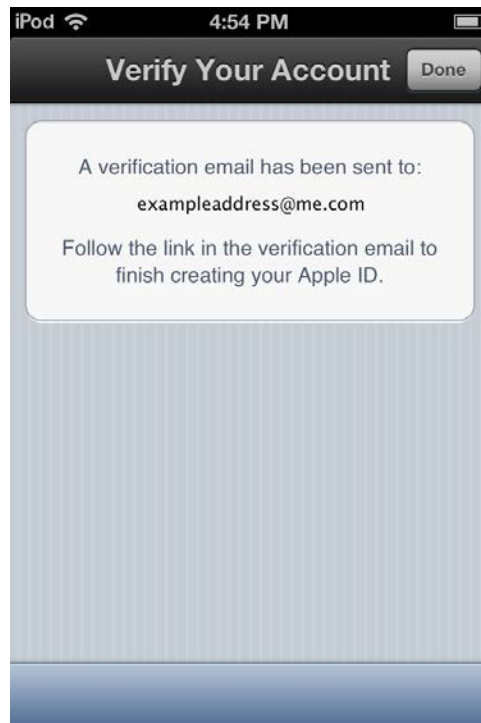

4. Tap Create New Apple ID.

5. Choose your country, and then tap Done.

6. You'll need to read and agree to the iTunes Store Terms & Conditions. Tap Agree located at the bottom of the page to continue.
7. Enter your email address, security questions, birthday, and create your password.
8. You also can enter an optional rescue email address. If you frequently change email addresses, it is recommended that you add a rescue email address. Learn more about the rescue email address.
9. Once you are satisfied with the information entered, tap Next.
10. Select None as your payment option.

11. Continue to fill out the required email, address, and phone number fields. Tap Next.
12. You'll then see a screen that says "Verify your Account." Tap Done, and check your email for a verification email from iTunes Store.

13. Open the email, and click the link enclosed in the email to activate your account.
14. Once you tap the link, the App Store should automatically open and prompt you to sign in with your account name and password.

15. Tap Sign In, and you will see a thank you screen.

16. You have set up your account successfully, and you can start enjoying iTunes, iBooks, and the App Store on your iPhone, iPad, and iPod touch.
