AGENDA	ITEM	ACTION	COMPLETION	FOLLOW UP
Administrative	Approval of March minutes	Copy of March minutes was in the June safety packet	March minutes approved.	All members
Standing Agenda Items Accident and Injury Data	Safety Alert System (SAS)	Provide the committee with employee injuries by NKC location and type (needle stick, back injury, etc.) for the prior four quarters. Back = 14, Strain/Sprain = 6 (∴ Total ergonomics = 20), Slips = 23, Needle sticks = 16.	Regular agenda item.	For the last 12 months, beginning with 5/31/18, the major employee injury data from SAS will be examined by type of injury, frequency and location. Committee members' ideas for safety interventions are encouraged. Top clinic issues: slips and ergonomics.
Agenda Items Ergonomics	Addressing employee strain/sprain and back injuries	HR is contacting Approach, our workers' comp consultants, for concepts on ergonomic injury reduction.	OPEN	HR provided Cole with information from Julio Salas, Approach Consultants. Cole will disburse the ergonomics information to those who need it. Feedback at next safety committee.
