

South On-Call System for Facility Systems Specialists

For RO water, oxygen, or acid concentrate related emergencies call the FSS On-Call System. If a unit is **COMPLETELY OUT** of oxygen or a flavor of acid, this is deemed an emergency, having to fill carboys is **NOT** considered an emergency.

Facility Systems Specialist On-Call

(206) 720-3706

This phone number will place a voice call directly to the on-call personnel, this is not a pager. Please leave a detailed voicemail message (including staff name, facility name and number to call back) if the phone is not immediately answered.

All personnel have 15 minutes to return a call

South FSS On-Call Schedule

Monday – Friday: 4:30-7:00 am and 5:00 pm-11:30 pm

Saturday, Sunday, and Holidays: 4:30 am—11:30 pm

South Facilities: Auburn, Burien, Enumclaw, Federal Way East, Federal Way West, Fife, Kent, Panther Lake, Renton, SeaTac

If an emergency occurs during the hours of the on-call window, please call the On-Call System for Facility Systems Specialists.

If a problem occurs outside of the on-call window, call your unit FSS first. If they do not respond, please try another FSS.

If you still cannot get in touch with an FSS, call Isa Abdus-Salaam, Facility System Specialist Supervisor 206-608-5269 or Tammy Heck, Director Clinical Support Services 206-608-5367.
