

Clarity Tip Sheet: Funeral Home Entry

Who is impacted: [All Clinical Users]

When is change happening: [TBD]

Why is the change needed/what is current state:

- Clinical staff need to know which funeral home to call to collect the body if a patient passes away while at the dialysis clinic
- We are currently limited in where this information can be entered in Clarity.

What is change:

- Preferred funeral home will be documented in Registration>Patient Contacts

Additional notes: Steps for entering funeral home

- Go to Registration>Patient Contacts
- Click Add New
 - Last Name: enter "Funeral Home"
 - First Name: enter name of funeral home
 - Phone: enter phone #
 - Relationship: Funeral Home
