# 1.39 Customer Release Notes

Release Date: 12/29/2024

General – New Test

- Test 395 – Culture, Urine, Routine can now be ordered. This test will use the urine gray top tube shown below (Supply ID = U01)

Clinical Reports – Patient Custom Reports

- Added the orders type to the run screen. This will allow you to filter to only results that came from a recurring order or a one-time order.

- Added ordering provider as a result demographic. With this turned on you will have a column in the report for which provider ordered the test.

Clinical Reports – Monthly Report Card

- Added new Monthly Report Card report. This report will allow you to compare the percentage met for goals & ranges for a single month against all facilities.

Monthly Report Card > Test > Monthly Result
