

Adding Prophix Contributor to Excel

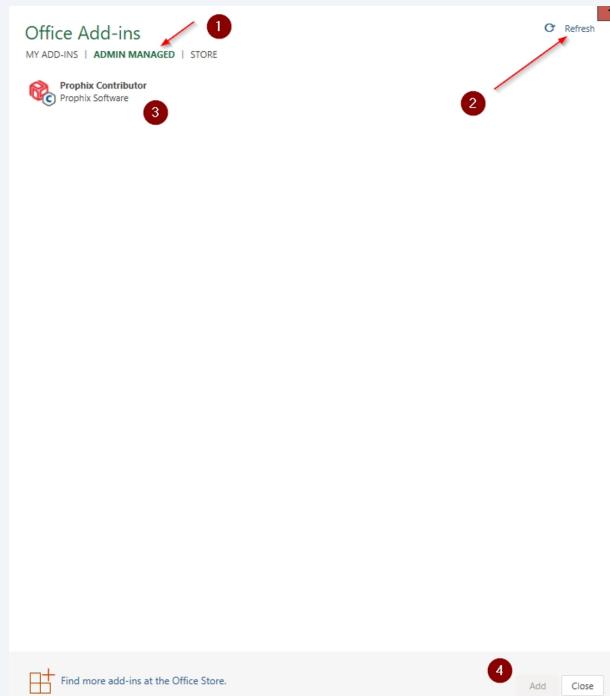

This guide shows how to add the Contributor app to excel.

- 1 Open the Excel spreadsheet, under **Home** > select **Add-in** > choose "More Add-ins".

2 Click **Admin Managed** > click **REFRESH** > select **Prophix Contributor** > click **Add**

3 Once added, on the right-hand side of the spreadsheet, you will see this window. Complete with sign-in via Okta.
