

# THE REVIEW

NANT is an organization for Dialysis Technicians and Technologists. There is a learning library, webinars, events and more developed with technicians in mind.

There are also scholarship opportunities to attend the national conference DTX43 held in Las Vegas. Check out their website for more information. [www.dialysistech.ne](http://www.dialysistech.ne)

### Creating an account to access HEALWA

- Go to HEALWA <https://heal-wa.org/>
- Click on Sign Up (top right hand corner)
- Create a HEALWA ID
- Set a password

OR

- Go to HEALWA <https://heal-wa.org/>
- Access to HEALWA is provided via an ID and password and is limited to members of selected groups of health care professionals who are licensed to practice in Washington State.

**\*If you have already set up your ID and password for HEALWA, simply log in the link above.**

\*To set up an account:

1. Insure that you have an email address on file with the Washington State Department of Health
2. Create a HEALWA ID  
OR  
If you have an existing UW NetID, add a HEALWA affiliation
