EOC Call How-To Job Aid

For EOC if the internet is down.

Often we are able to use a standard Webex call, but if not this is the number to call into.

Historically: IDT members call 1-866-398-5740

and use a password to sign into the call

Webex (new 2/26):   Use the SAME Number 1-866-398-5740

The new passcode: 2664 336 4700

All calls will need to have a "moderator/host code" this code will be for anyone who is <u>first</u> on the call: 9526
