

Clarity Monthly Update

February 2026

General Information

Renvio regularly updates Clarity with fixes to issues reported and enhancements based on user feedback. The following is a general overview of those fixes and enhancements that will be released on Sunday, February 8th, 2025. You will see these updates starting Monday, February 9th.

What's New or Fixed in Clarity

1. Password Reset Code Question – Update Wording

- The wording for Password Reset codes is updated to better assist staff

How can we help you?

- ☐ I want to reset my password (I can answer my 3 security questions).
- ☐ E-mail me a password reset code.
- ☐ I have a password reset code, can be received from facility manager.

Cancel Next

2. SDOH – No Longer Crossing to EQRS Submissions Queue

Effective December 31, 2025, CMS removed the Health Equity attestation and Social Drivers of Health (SDOH) Patient Screening from EQRS. As a result, SDOH data documented in Clarity will no longer be directed to the EQRS submission queue for reporting
